These provisions also apply to their family members, and those citizens who reside outside of the United States.

Federal Post Card Application

Under Federal law, the Federal Post Card Application (FPCA) allows “Uniformed and Overseas Citizens” to register to vote and apply for an absentee ballot by filling out just one form. The FPCA form provides applicants with absentee ballots for two general election cycles for any election or runoff in which a federal candidate appears on the ballot including presidential preference primaries.

Eligible voters may obtain an FPCA from voting assistance officers in their branch of service, a U.S. Consulate or Embassy, or the Federal Voting Assistance Program of the Department of Defense, Washington, D.C. 20301. Postage on the FPCA is prepaid. You may also access an FPCA at www.fvap.gov, however postage is required when using the online version. For more information, call 1-800-438-VOTE (8683).

Who is Eligible?

You are eligible to complete a FPCA if you are qualified to vote in Georgia and are:

- A member of the U.S. Merchant Marines or the spouse or dependent of such member; or

On the FPCA form, you will need to provide either your previous Georgia address or the current address you use as your residence. Be sure to also supply the address where you want your ballot mailed.

Submitting Your Application

You may submit an FPCA to the county voter registration office by mail or fax more than 180 days prior to a primary or election. Please be sure to send it at least 45 days before an election to ensure your ballot can be returned before the legal deadline. If you are registering to vote with an FPCA, the original must be submitted through the mail. FPCA mail is treated as express mail by the U.S. Postal Service at no extra cost.

The FPCA application serves as both a voter registration application and a request for an absentee ballot. Once you have submitted the FPCA form, you are officially a registered voter and will automatically be issued absentee ballots for the next two General Election cycles. Please notify your county voter registration office of any changes to your address.
