Bulloch County Departmental Review

Agenda Item:	1	**Meeting Date:**	June 07,2016
Application #:	CU2016-004	**Application Type:**	Conditional Use
Request:	Bonnie W. Grist submitted an application for a conditional use for a salvage yard. The property is located on U S Highway 301 South. Wes Lee is acting as agent. This item was tabled at the May 03, 2016 meeting.		
Planning and Zoning Commission Reccomendation:	To approve the request with conditions by a 3-2 vote.		

Applicant:	Bonnie W. Grist	**Acres in Request:**	6.074
Location:	Highway 301 South	**Existing Lots:**	1
Map #:	MS34000006 000	**Current Zoning:**	HC
Future Land Use:	Suburban-Corridor		
Directions to Property:	Take Hwy 301 South and property will be on the right across from J C Lewis Ford.		

Conditional Use Standards	Yes	No	Comment
(1) Is the type of street providing access to the use adequate to serve the proposed conditional use?	X		
(2) Is access into and out of the property adequate to provide for traffic and pedestrian safety, the anticipated volume of traffic flow, and access by emergency vehicles?	X		
(3) Are public facilities such as schools, EMS, sheriff and fire protection adequate to serve the conditional use?	X		
(4) Are refuse, service, parking and loading areas on the property located or screened to protect other properties in the area from such adverse effects as noise, light, glare or odor?	X		
(5) Will the hours and manner of operation of the conditional use have no adverse effects on other properties in the area?	X		
(6) Will the height, size, or location of the buildings or other structures on the property be compatible with the height, size or location of buildings or other structures on neighboring properties?	X		
(7) Is the proposed conditional use consistent with the purpose and intent of the zoning ordinance?	X		

Land Use Planning Impact

Future Land Use Map: The Bulloch County Joint Comprehensive Plan indicates that the property would be appropriate for suburban-corridor.

Existing Land Use Pattern: There are primarily commercial uses at adjacent and nearby properties.

Zoning Patterns and Consistency: The proposed use appears to be consistent with the zoning patterns in the nearby area.
Neighborhood Character: There is no evidence that the proposed use will injure or detract from existing neighborhoods.
Property Values: adjacent property values should not be affected by the proposed use.

Water / Sewer Impact

All properties are subject to on-site septic tank installation and a community water system approval as required by the County Health Department. Soil types and proposed lot sizes are compatible and adequate for septic tank installation.

Solid Waste Impact

None expected.

Environmental Impact

No impact is expected.

Fire Service

Fire service is available within 3 miles (response time 4 minutes) from the Statesboro Fire Department. No additional resources are required.

Traffic Impact

The capacity and general condition of the roads accessing the proposed development is good. Highway 301 is a state maintained paved road.

School Impact

Minimal impact is expected on existing schools.

Parking, Road and Drainage Impact

The proposed use should not create a significant traffic impact. Currently, all drainage is natural with no known man-made improvements to the existing development other than roadside drainage ditches and culverts. The accessways/driveways to the site should have proper roadside drainage measures.

E-911 and Emergency Management Impact

Street addresses can be easily assigned. The County Emergency Management Director should be contacted prior to construction.

Law Enforcement Impact

Response time from Bulloch County Sheriff's Department is approximately 7 minutes. However, depending on patrolling patterns and the location of deputies at a given time, this response may be greater or lesser.

Final Staff Recommendation

The subject property appears suitable for the proposed use.

The staff recommends approval of the conditional use request with the following condition. The Planning and Zoning Commission added condition number 6:

1. All access, driveway and parking areas serving the general public shall be paved and the driveway width shall meet commercial driveway standards.
2. A buffer and visual screening pursuant to Sections 405 and 407 of the zoning ordinance shall be required.
3. Permitted signage shall be in accordance with the applicable district regulations, and shall be compatible with the immediate vicinity.
4. Exterior lighting, if provided, shall be with consideration given to glare, traffic safety, and compatibility with property in the immediate vicinity and traffic on Highway 301.
5. No junk or salvaged materials shall be stored, either temporarily or permanently outside the proposed fence or within the public right-of-way.
6. A place where used vehicles and parts are bought and sold. Also includes the parking, storage or disassembly of three (3) or more junked vehicles, or wrecked or non-operable automobiles, trucks, or other vehicles that do not bear a current license plate.

Participants

Tom Couch, County Manager; Andy Welch, County Planner; Randy Newman, Zoning Administrator.

Bulloch County Departmental Review

Agenda Item:	2	**Meeting Date:**	June 07, 2016
Application #:	RZ2016-008	**Application Type:**	Rezone
Request:	Mary Foreman submitted an application to rezone 19.84 acres from R-80 (Residential 80,000 square feet) to AG-5 (Agricultural 5 acres). The property is located on Old Riggs Mill Road. John Dotson is acting as agent.		

Applicant:	Mary Foreman	**Acres in Request:**	19.84
Location:	Old Riggs Mill Road	**Existing Lots:**	1
Map #:	047 000003 000	**Requested Lots:**	1
		Current Zoning:	R-80
Future Land Use:	Suburban-Neighborhood	**Requested Zoning:**	AG-5
Directions to Property:	Take Cypress Lake Road and turn right onto Old Riggs Mill Road. Property will be on the right.		
P and Z Recommendation:	To approve the request with a 5-0 vote.		

Rezone Standards	Yes	No	Comment
(1) Is the proposed use suitable in view of the zoning and development of adjacent and nearby property?	X		
(2) Will the proposed use adversely affect the existing use or usability of adjacent or nearby property?		X	
(3) Are their substantial reasons why the property cannot or should not be used as currently zoned?		X	
(4) Will the proposed use cause an excessive or burdensome use of public facilities or services, including but not limited to streets, schools, EMS, sheriff or fire protection?		X	
(5) Is the proposed use compatible with the purpose and intent of the Comprehensive Plan?	X		
(6) Will the use be consistent with the purpose and intent of the proposed zoning district?	X		
(7) Is the proposed use supported by new or changing conditions not anticipated by the Comprehensive Plan?		X	
(8) Does the proposed use reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property?	X		

Land Use Planning Impact

Future Land Use Map: The Bulloch County Joint Comprehensive Plan indicates that the property would be appropriate for suburban-neighborhood.

Existing Land Use Pattern: There are primarily rural residential and agricultural uses at adjacent and nearby properties.

Zoning Patterns and Consistency: The proposed change appears to be consistent with the zoning patterns in the nearby area.

Neighborhood Character: There is no evidence that the proposed change in zoning will injure or detract from existing neighborhoods.
Property Values: adjacent property values should not be affected by the change of zoning.

Water / Sewer Impact

All properties are subject to on-site septic tank installation and a community water system approval as required by the County Health Department. Soil types and proposed lot sizes are compatible and adequate for septic tank installation.

Solid Waste Impact

None expected.

Environmental Impact

No impact is expected.

Fire Service

Fire service is available within 3.4 miles (response time 11 minutes) from the Register Fire Department. No additional resources are required.

Traffic Impact

The capacity and general condition of the roads accessing the proposed development is good. Hwy 80 is a state maintained paved road.

School Impact

Minimal impact is expected on existing schools.

Parking, Road and Drainage Impact

The proposed change should not create a significant traffic impact. Currently, all drainage is natural with no known man-made improvements to the existing development other than roadside drainage ditches and culverts. The accessways/driveways to the site should have proper roadside drainage measures.

E-911 and Emergency Management Impact

Street addresses can be easily assigned. The County Emergency Management Director should be contacted prior to construction.

Law Enforcement Impact

Response time from Bulloch County Sheriff's Department is approximately 12 minutes. However, depending on patrolling patterns and the location of deputies at a given time, this response may be greater or lesser.

Final Staff Recommendation

The subject property appears suitable for the proposed rezone.

The staff recommends approval of the rezone request.

Bulloch County Departmental Review

Agenda Item:	4	**Meeting Date:**	June 07, 2014
Application #:	Text Amendment	**Application Type:**	Text Amendment
Applicant:	TruFlame Gas Co.		
Summary:	TruFlame Gas Co. submitted an application for a text amendment for an 18,000 gallon propane bulk storage tank. The property is located at 22801 Hwy 80 East. Pete Cates is acting as agent.		
Planning and Zoning Commission Recommendation:	To approve the request with a 3-2 vote.		

Text Amendment Standards	Yes	No	Comment
(1) Is the proposed text amendment compatible with the purpose and intent of the Comprehensive Plan?	X		
(2) Is the proposed text amendment consistent with the purpose and intent of the Zoning Ordinance?	X		
(3) Will adoption of the amendment further the protection of the public health and safety or general welfare?			Unknown impact

Final Staff Recommendation

The staff recommends denial of the text amendment.

AMENDMENT TO THE CODE OF ORDINANCES OF
BULLOCH COUNTY, GEORGIA

BE IT ORDAINED by the Bulloch County Board of Commissioners that the following definition is added to Section 202 of Article 2 of Appendix C-Zoning of the Code of Ordinances of Bulloch County, Georgia:

Bulk Propane Facility: Any facility where the primary function is to store LP-Gas prior to further distribution, where LP-Gas is received by cargo tank motor vehicle and distributed by portable container (package) delivery, or by cargo tank motor vehicle.

(1) Tanks over 1,000 gallons must be buried or mounded in accordance with best engineering practices.
(2) No such facility shall be established on a lot less than 1 acre in size.
(3) All tanks must be setback a minimum of 50 feet from any property line, and any point of transfer of propane from a tank to a vehicle must be at least 50 feet from any property line.
(4) No such facility shall contain more than 30,000 gallons of total bulk storage.
(5) All tanks shall be screened from adjacent properties.

BE IT ORDAINED by the Bulloch County Board of Commissioners that the following use is added to Section 802 of Article 8 of Appendix C of the Code of Ordinances of Bulloch County, Georgia:

	HC	GC	NC	LI	HI
Bulk Propane Facility	C			C	C

Adopted at a meeting of the Bulloch County Board of Commissioners held in compliance with Georgia's Open Meetings Act, at which meeting a quorum was present, on the __ day of _____ _____ 2016.

Bulloch County Departmental Review

Agenda Item:	5	**Meeting Date:**	June 07, 2016
Application #:	CU2016-018	**Application Type:**	Conditional Use
Request:	TruFlame Gas Co. submitted an application for a conditional use for an 18,000 gallon propane bulk storage tank. The property is located at 22801 Hwy 80 East. Pete Cates is acting as agent.		
Planning and Zoning Commission Recommendation:	To approve the request with conditions upon approval of the text amendment with a 3-2 vote.		

Applicant:	TruFlame Gas Co.	**Total Acres:**	1.12
Location:	22801 Hwy 80 East	**Acres in Request:**	1.12
Map #:	MS9700094 000	**Existing Lots:**	1
Future Land Use:	Suburban-Corridor	**Current Zoning:**	HC
Directions to Property:	Take Hwy 80 past Grove Lakes Subdivision and property will be on the right.		

Conditional Use Standards	Yes	No	Comment
(1) Is the type of street providing access to the use adequate to serve the proposed conditional use?	X		
(2) Is access into and out of the property adequate to provide for traffic and pedestrian safety, the anticipated volume of traffic flow, and access by emergency vehicles?	X		
(3) Are public facilities such as schools, EMS, sheriff and fire protection adequate to serve the conditional use?	X		
(4) Are refuse, service, parking and loading areas on the property located or screened to protect other properties in the area from such adverse effects as noise, light, glare or odor?		X	
(5) Will the hours and manner of operation of the conditional use have no adverse effects on other properties in the area?			Cannot be determined.
(6) Will the height, size, or location of the buildings or other structures on the property be compatible with the height, size or location of buildings or other structures on neighboring properties?	X		
(7) Is the proposed conditional use consistent with the purpose and intent of the zoning ordinance?		X	Text amendment required.

Land Use Planning Impact

Future Land Use Map: The Bulloch County Joint Comprehensive Plan indicates that the property as currently used is appropriate for the Suburban-Corridor Character Area in the Future Development Map. However, bulk propane storage facilities, which are typically located in industrial zoned areas suggests that such a facility be located in an Employment District Character Area such as Gateway or Holland Industrial Parks.

Existing Land Use Pattern: There are primarily commercial and residential uses at adjacent and nearby properties.
Zoning Patterns and Consistency: The proposed use does not appear to be consistent with the zoning patterns in the nearby area.
Neighborhood Character: There is no evidence that the proposed change in use should injure or detract from existing neighborhoods provided that potential fire safety issues can be resolved.
Property Values: Property values should not be affected by the proposed use if stringent conditions are applied.

Water / Sewer Impact

All properties are subject to on-site septic tank installation and a community water system approval as required by the County Health Department. Soil types and proposed lot sizes are compatible and adequate for septic tank installation.

Solid Waste Impact

None expected.

Environmental Impact

No impact is expected.

Fire Service

Fire service is available within 3.6 miles (response time 5 minutes) from the Statesboro Fire Department. No additional resources are required.

Traffic Impact

The capacity and general condition of the roads accessing the proposed development is good. Hwy 80 is a State maintained paved road.

School Impact

No impact is expected on existing schools.

Parking, Road and Drainage Impact

The proposed use should not create a significant traffic impact. Currently, all drainage is natural with no known man-made improvements to the existing development other than roadside drainage ditches and culverts. The accessways/driveways to the site should have proper roadside drainage measures.

E-911 and Emergency Management Impact

Street addresses can be easily assigned. The County Emergency Management Director should be contacted prior to construction.

Law Enforcement Impact

Response time from Bulloch County Sheriff's Department is approximately 6 minutes. However, depending on patrolling patterns and the location of deputies at a given time, this response may be greater or lesser.

Final Staff Recommendation

The subject property may not be suitable for the proposed use without stringent conditions.

The staff recommends denial of the conditional use request.

However, if approval is considered, the following conditions should apply.

1. One 18,000 cubic yard storage tank will be authorized; any expansion of the storage facility, or an increase in the size of the tank, shall require application for a new conditional use permit.
2. Provide security fencing for the bulk storage tank as approved by the Zoning Administrator.
3. Provide two (2) pole mounted halogen spotlights for dusk-to-dawn lighting coverage for the entire propane tank site. This along with any future outdoor lighting installed on the property should be downcast and recessed to minimize glare for traffic on US 80, and for contiguous properties.
4. Provide a permanent, metal, "in case of emergency" sign that provides the name of the company and a 24-hour emergency contact number.
5. A screening and fencing buffer shall be installed: 1) on the side property line adjacent to Hodges Moore Funeral Home; 2) extending along the rear property line from the corner marker to the side building line, and along the front property line from the corner at Hodges Moore Funeral Home to the side building line; according to Sections 405, 406 and 407 or the zoning ordinance. The subject screening and fencing shall be approved by the Zoning Administrator, including the use of the existing fence if the hedge plantings offer sufficient and similar screening opaquity according to zoning standards.
6. All residential or commercial type storage tanks intended for retail use shall be stored in an orderly fashion within the screening and fencing area noted in Condition #6, except for display tanks depicting each size available.
7. Provide an updated "fire safety analysis" for the site as required per the National Fire Protection Association Liquefied Petroleum Gas Code (NFPA 58), and proof of compliance with Georgia Rule 120-3-16 shall be submitted that is satisfactory to the to the Zoning Administrator and the Statesboro Fire Marshal, prior to site plan approval.
8. Electrical service to the tanks shall be underground and no overhead lines within 30 feet of the storage tank. Tie-ins will be contained in explosion proof boxes.
9. Provide striping and post signs to prevent parking and/or combustible storage within 100 feet of the bulk storage container.
10. A final engineered site plan and analyses for this use, to meet the conditions herein, shall be submitted for review and approval prior to construction.
11. This Conditional Use Permit may be revoked or conditions amended by for violation of these conditions or any applicable county, state or federal codes.

Bulloch County Departmental Review

Agenda Item:	6	**Meeting Date:**	June 07, 2016
Application #:	CU2016-012	**Application Type:**	Conditional Use
Request:	Christine Edwards submitted an application for a conditional use to allow a camper to be use as a temporary occupancy unit during the construction of a principal residence. The property is located at 5167 Maria Sorrell Road.		

Applicant:	Christine Edwards	**Total Acres:**	0.75
Location:	5167 Maria Sorrell Road	**Acres in Request:**	0.75
Map #:	103 00003 000	**Existing Lots:**	1
Future Land Use:	Rural-Open Area	**Current Zoning:**	AG-5
Directions to Property:	Take Hwy 301 North and turn left onto Old River Road. At railroad tracks, turn left onto Maria Sorrell Road and property will be on the right.		
Planning and Zoning Commission Recommendation:	To approve the request with conditions with a 5-0 vote.		

Conditional Use Standards	Yes	No	Comment
(1) Is the type of street providing access to the use adequate to serve the proposed conditional use?	X		
(2) Is access into and out of the property adequate to provide for traffic and pedestrian safety, the anticipated volume of traffic flow, and access by emergency vehicles?	X		
(3) Are public facilities such as schools, EMS, sheriff and fire protection adequate to serve the conditional use?	X		
(4) Are refuse, service, parking and loading areas on the property located or screened to protect other properties in the area from such adverse effects as noise, light, glare or odor?	X		
(5) Will the hours and manner of operation of the conditional use have no adverse effects on other properties in the area?	X		
(6) Will the height, size, or location of the buildings or other structures on the property be compatible with the height, size or location of buildings or other structures on neighboring properties?	X		
(7) Is the proposed conditional use consistent with the purpose and intent of the zoning ordinance?	X		

Land Use Planning Impact

Future Land Use Map: The Bulloch County Joint Comprehensive Plan indicates that the property would be appropriate for rural-open areas.

Existing Land Use Pattern: There are primarily rural residential and agricultural uses at adjacent and nearby properties.

Zoning Patterns and Consistency: The proposed use does not appears to be consistent with the zoning patterns in the nearby area
Neighborhood Character: There is no evidence that the proposed change in use should injure or detract from existing neighborhoods.
Property Values: property values should not be affected by the proposed use.

Water / Sewer Impact

All properties are subject to on-site septic tank installation and a community water system approval as required by the County Health Department. Soil types and proposed lot sizes are compatible and adequate for septic tank installation.

Solid Waste Impact

None expected.

Environmental Impact

No impact is expected.

Fire Service

Fire service is available within 2.3 miles (response time 10 minutes) from the Clito Fire Department. No additional resources are required.

Traffic Impact

The capacity and general condition of the roads accessing the proposed development is good. This portion of Maria Sorrell Road is a County maintained dirt road.

School Impact

Minimal impact is expected on existing schools.

Parking, Road and Drainage Impact

The proposed use should not create a significant traffic impact. Currently, all drainage is natural with no known man-made improvements to the existing development other than roadside drainage ditches and culverts. The accessways/driveways to the site should have proper roadside drainage measures.

E-911 and Emergency Management Impact

Street addresses can be easily assigned. The County Emergency Management Director should be contacted prior to construction.

Law Enforcement Impact

Response time from Bulloch County Sheriff's Department is approximately 10 minutes. However, depending on patrolling patterns and the location of deputies at a given time, this response may be greater or lesser.

Final Staff Recommendation

The subject property appears suitable for the proposed use.

The staff recommends approval of the conditional use request with following condition:

1. That the construction be completed within one year.

Participants: Tom Couch, Co. Mngr; Andy Welch, Co. Planner; Randy Newman, Zoning Admin

Agenda Item:	7	**Meeting Date:**	June 07, 2016
Application #:	RZ2015-013	**Application Type:**	Rezone
Request:	H.B. & Doris Lanier submitted an application to rezone 6.0 acres from AG-5 (Agricultural 5 acres) to HC (Highway Commercial). The property is located at 15414 Hwy. 67. Jim Anderson is acting as agent.		

Applicant:	H. B. and Doris Lanier	**Acres in Request:**	6.0
Location:	15414 Hwy 67	**Existing Lots:**	1
Map #:	109A000023 000	**Requested Lots:**	1
		Current Zoning:	AG-5
Future Land Use:	Suburban-Corridor	**Requested Zoning:**	HC
Directions to Property:	Take Hwy 67 past South Wynn Road and property will be on the left.		
Planning and Zoning Commission Recommendation:	To approve the request with conditions with a 5-0 vote.		

Rezone Standards	Yes	No	Comment
(1) Is the proposed use suitable in view of the zoning and development of adjacent and nearby property?	X		
(2) Will the proposed use adversely affect the existing use or usability of adjacent or nearby property?		X	
(3) Are their substantial reasons why the property cannot or should not be used as currently zoned?		X	
(4) Will the proposed use cause an excessive or burdensome use of public facilities or services, including but not limited to streets, schools, EMS, sheriff or fire protection?		X	
(5) Is the proposed use compatible with the purpose and intent of the Comprehensive Plan?	X		
(6) Will the use be consistent with the purpose and intent of the proposed zoning district?	X		
(7) Is the proposed use supported by new or changing conditions not anticipated by the Comprehensive Plan?		X	
(8) Does the proposed use reflect a reasonable balance between the promotion of the public health, safety, morality, or general welfare and the right to unrestricted use of property?	X		

Land Use Planning Impact

Future Land Use Map: The Bulloch County Joint Comprehensive Plan indicates that the property would be appropriate for suburban-corridor.

Existing Land Use Pattern: There are primarily commercial, rural residential, and agricultural uses at adjacent and nearby properties.

Zoning Patterns and Consistency: The proposed change appears to be consistent with the zoning patterns in the nearby area.
Neighborhood Character: There is no evidence that the proposed change in zoning will injure or detract from existing neighborhoods.
Property Values: adjacent property values may be enhanced due to the change of zoning.

Water / Sewer Impact

All properties are subject to on-site septic tank installation and a community water system approval as required by the County Health Department. Soil types and proposed lot sizes are compatible and adequate for septic tank installation.

Solid Waste Impact

None expected.

Environmental Impact

No impact is expected.

Fire Service

Fire service is available within 2.6 miles (response time 5 minutes) from the Statesboro Fire Department. No additional resources are required.

Traffic Impact

The capacity and general condition of the roads accessing the proposed development is good. Hwy 67 is a state maintained paved road.

School Impact

Minimal impact is expected on existing schools.

Parking, Road and Drainage Impact

The proposed change should not create a significant traffic impact. Currently, all drainage is natural with no known man-made improvements to the existing development other than roadside drainage ditches and culverts. The accessways/driveways to the site should have proper roadside drainage measures.

E-911 and Emergency Management Impact

Street addresses can be easily assigned. The County Emergency Management Director should be contacted prior to construction.

Law Enforcement Impact

Response time from Bulloch County Sheriff's Department is approximately 11 minutes. However, depending on patrolling patterns and the location of deputies at a given time, this response may be greater or lesser.

Final Staff Recommendation

The subject property appears suitable for the proposed rezone.

Bulloch County Departmental Review

The staff recommends approval of the rezone request with the following condition:

1. Use shall be limited to sales of portable buildings, portable garages, and utility trailers.
2. A landscape buffer shall be required within the side setback area abutting parcel 109A000022 000 consisting of evergreen plantings that possess growth characteristics of such a nature as to produce a dense, compact planting screen with an opacity ratio of 60%, and is capable of growing to a height of at least eight (8') feet within two (2) years, and it shall be regularly maintained.

Public Hearing and Action on Proposed Abandonment of County Road No. 397 a/k/a Alex Knight Road

SUMMARY/BACKGROUND ATTACH DETAILED SUMMARY, IF NEEDED (Box 5)

The attached petition has been submitted requesting that the Commissioners consider abandoning Alex Knight Road, which is highlighted in yellow on the attached map. In accordance with Georgia law, the Commissioners must hold a public hearing on this issue before taking action to formally abandon the road. The attached public hearing notice was published in the Statesboro Herald on Thursday, May 26 and Thursday, June 2, and property owners on the road were personally notified of the hearing via regular U.S. mail. The legal standard for abandoning a county road is that the Commissioners must find that the road has ceased to be used by the public to the extent that no substantial public purpose is served by it or that its removal from the county road system is otherwise in the best public interest. After closing the public hearing, the Commissioners should take action by either (1) approving the attached resolution to abandon the road, or (2) voting for the road to remain a public county-maintained road.

Regular Meeting

The Board of Commissioners met at 8:30am in the Community Room of the North Main Annex. Chairman Nevil welcomed guests and called the meeting to order. Commissioner Simmons gave the invocation and Pledge of Allegiance.

Mrs. Olympia Gaines, Clerk of the Board, performed the roll call of the commissioners and staff. The following commissioners were present: Chairman Nevil, Commissioner Thompson, Commissioner Rushing, Commissioner Gibson, Commissioner Mosley, and Commissioner Simmons. Commissioner Ethridge was absent. The following staff was present: County Manager Tom Couch, Assistant County Manager Andy Welch, Chief Financial Officer Whitney Richland, Chief Accountant Kristie King, County Engineer Kirk Tatum, Solid Waste Director Fred White, Transportation Director Dink Butler, Management Analyst Cindy Steinmann, Statesboro Airport Director Kathy Boykin, Public Safety Director Ted Wynn, Fire Chief Christopher Ivey, Deputy Fire Chief Ben Tapley, Statesboro Bulloch Parks and Recreation Director Mike Rollins, Purchasing Manager Faye Bragg, Building and Facilities Maintenance Director Bob Hook, and Chief Deputy Jared Akins.

Chairman Nevil asked for changes or modifications to the General Agenda. Hearing none, he called for a motion to approve the General Agenda as presented. Commissioner Gibson offered a motion to approve the General Agenda as presented. Commissioner Simmons seconded the motion and it carried unanimously with Commissioner Gibson, Commissioner Thompson, Commissioner Rushing, Commissioner Mosley, and Commissioner Simmons all voting in favor of the motion.

Chairman Nevil called for public comments from the audience at large or in writing. Don Wilson Jr. expressed his concerns with the way Harvey Wilson Road has been maintained. He asked that the road be surveyed if possible. Lynn Keever expressed her concerns with the heavy truck traffic, safety and conditions of Old Highway 46 near Pembroke. She stated that she has been coordinating with Mr. Butler concerning her issues. Mr. Butler stated the signs concerning weight limits are no longer posted. Mr. Couch stated the County will try to get the signs reposted and get with Department of Driver Services for monitoring of the heavy truck traffic. Chairman

Nevil thanked Mr. Wilson and Mrs. Keever for their comments and stated the Board will look into their concerns.

Chairman Nevil stated the next item on the agenda was a presentation from Skip Starling, Director of the National Fire Service Office, concerning the tanker shuttle operation and the long hose lay deployment. Mr. Starling stated with the increase in insurance rates, the incorporation of a tanker shuttle operation and long hose lay deployment could be a good option to lower the insurance premium rates. Mr. Starling stated there are a few drawbacks with the tanker shuttle; (1) would require purchasing of equipment (tankers and necessary equipment to outfit); (2) the operator would need to have a CDL class A drivers license; and (3) the tanker shuttle is hard to maneuver. He stated despite the few drawbacks, the tanker shuttle would provide huge savings.

Mr. Starling stated in order to have a county-wide 5 classification it would require the County developing a systematic plan which would incur some costs. He stated this is something the County can have in place within three to four months. Chief Ivey stated the County currently has five tankers and would need two more. Mr. Starling stated that ISO has changed the benchmark in the way they gather statistical information to assess risks and as a result the increase in homeowner's insurance rates will continue to rise. Mr. Starling recommends the tanker shuttle as the most cost effective option. He recommends starting the tanker shuttle operation first to get rates consistent and then evaluate the service area's fire protection and water supply needs.

After some discussion, Chairman Nevil thanked Mr. Starling for his presentation and information. He referenced a Fire District Committee meeting to be held on May 19, 2016 at 9am and asked if other board members plan to attend to make sure the proper notification is provided to the media in the event a quorum is present.

Chairman Nevil stated the next item on the agenda was to approve the Consent Agenda as follows: (1) to approve the minutes of the Regular Meeting held on May 3, 2016 and the Special Called Meeting held on May 6, 2016; (2) to approve the bid of Hawk Construction in the amount of $14,465.00 for the replacement of roof panels and adding insulation to Hangar #3 at the Statesboro-Bulloch County Airport (See Exhibit #2016-50); (3) to approve purchase of football helmets from Hobbs Sporting Goods for $16,392, approve purchase of football helmets from Ridell for $13,650, and approve the purchase of football helmets from Bolt Athletics for

$3,282 (See Exhibit #2016-51); (4) to approve the purchase of one (1) John Deere Pro Gator with HD200Select Sprayer from ShowTurf, LLC for $31,593.72 (See Exhibit #2016-52); (5) to approve the purchase of two (2) John Deere Gators from Blanchard Equipment Company for $13,830.00 (See Exhibit #2016-53); (6) to approve the 3 year lease bid of $26,993.75 per year submitted by ShowTurf, LLC for the lease of 4 John Deer 5gang reel mowers (See Exhibit #2016-54); (7) to approve the Statewide Mutual Aid Agreement (See Exhibit 2016-55); (8) to approve a Sponsorship Agreement with AT&T Mobility, LLC (See Exhibit #2016-56).

Without further discussion, Commissioner Thompson offered a motion to approve the Consent Agenda as presented. Commissioner Rushing seconded the motion and it carried unanimously with Commissioner Gibson, Commissioner Thompson, Commissioner Rushing, Commissioner Mosley, and Commissioner Simmons all voting in favor of the motion.

Chairman Nevil stated the first item under New Business was for Discussion and/or Action to approve an emergency contract with Gregory Bridge Company for repairing the bridge on Cypress Lake Road at Wateringhole Branch. Mr. Tatum stated there were currently two options the County could take: (1) use flowable fill mix or (2) remove the approach slab and rebar. He stated the option to use the flowable fill mix was more cost effective and provided a short turnaround for repairs to the bridge. Mr. Tatum stated that Gregory Bridge Company was selected because they initially built the bridge and currently had a crew in a neighboring county. After some discussion, Commissioner Thompson offered a motion to approve the emergency contract with Gregory Bridge Company for repairing the bridge on Cypress Lake Road at Wateringhole Branch (See Exhibit #2016-57). Commissioner Rushing seconded the motion and it carried unanimously with Commissioner Gibson, Commissioner Thompson, Commissioner Rushing, Commissioner Mosley, and Commissioner Simmons all voting in favor of the motion.

Chairman Nevil called for general comments from the commissioners and staff. The commissioners thanked everyone for attending the meeting, the staff for all they do, and the citizens for their comments and input. Commissioner Thompson and Commissioner Mosley encouraged everyone to go out and vote. Commissioner Mosley thanked Mr. Couch for the work he does and his leadership. Mr. Couch thanked the staff for all they do. He stated the Budget Review Team is drawing closer to recommending a tentative budget during the June 7, 2016 meeting. He stated he would like to schedule a budget workshop to discuss any remaining issues concerning the budget and is looking at the following dates: May 26th, May 31st, and June 2nd.

The Commissioners stated they are agreeable with any date scheduled at 12pm. Commissioner Gibson suggested that the Board also discuss Solid Waste issues at this time. Mr. Couch stated he is looking at a 90 minute meeting and will get with the Budget Review team to determine a date.

Hearing no further comments from the Commissioners or staff, Chairman Nevil asked for a motion to adjourn. Commissioner Simmons offered a motion to adjourn the meeting. Commissioner Mosley seconded the motion and it carried unanimously with Commissioner Gibson, Commissioner Rushing, Commissioner Thompson, Commissioner Simmons, and Commissioner Mosley all voting in favor of the motion.

WORK DETAIL AGREEMENT
Governmental Entity Provides Vehicle

THIS AGREEMENT is entered into this 1st day of July, 2016, by and between GEORGIA DEPARTMENT OF CORRECTIONS, an agency of the State of Georgia (hereinafter referred to as "Department"), and Bulloch County, a department, agency or political subdivision of the State of Georgia ("Governmental Entity"),

WITNESSETH:

WHEREAS, Department desires to obtain appropriate work for offenders incarcerated at its Emanuel Probation Detention Center a sub-unit of Emanuel Women's Facility (hereafter "Offenders" and "Facility"); and

WHEREAS, Governmental Entity desires to obtain the services of Offender work crews on public works projects in accordance with O.C.G.A. §42-5-60(e).

NOW, THEREFORE, in consideration of these premises and the mutual promises and agreements hereinafter set forth, the parties hereby agree as follows:

1. Term of Agreement. The term of this Agreement shall be from July 1, 2016 until 11:59 p.m. on June 30, 2017 ("Term"). The parties may, by mutual agreement in writing, extend the Agreement for additional time periods.

2. Scope of Services. Department agrees to provide Governmental Entity with one (1) Offender work detail(s). Each work detail provided will have a maximum of ten (10) Offenders ("Work Detail") as well as one (1) full-time correctional officer ("Correctional Officer"). The Work Detail will perform labor on public works projects described in an attachment hereto or as communicated to Department from time to time in the manner provided herein (the "Work"). Department shall have the right and responsibility to control the time and manner of executing the Work through the Correctional Officer that is assigned to supervise Work Detail. For purposes of this paragraph, the Correctional Officer shall be acting as an agent of Governmental Entity. Governmental Entity shall also have the right and responsibility to direct the Correctional Officer concerning the Work. Governmental Entity acknowledges and agrees that the Work shall not include Offender labor that benefits private persons or corporations.

3. Prohibited Contact And Dealings With Offenders.

   A. Governmental Entity will take all reasonable steps to ensure that its officials, employees, students, and agents refrain from any personal dealings with the Offenders working under this Agreement. Such prohibited conduct includes, but is not limited to, giving, receiving, selling, buying, trading, bartering, or exchanging anything of value with an Offender.

   B. Governmental Entity will take all reasonable steps to ensure that the Offenders working under this agreement will have no contact with any unauthorized civilians.

   C. In the event that Governmental Entity is a school or school system, Governmental Entity will take all reasonable steps to ensure that the Offenders working under this Agreement will have no

contact with any student of Governmental Entity's school system.

D. Governmental Entity will take all reasonable steps to ensure that no gun or other weapon, intoxicating liquor, any drug of any type, any cellular telephone or communications device of any type, or contraband item specified by Department, is made available by its officials, employees, students, and agents to any Offender working under this Agreement on any property under Governmental Entity's control.

4. Workplace Safety. Governmental Entity agrees to provide a safe workplace for Work Details in accordance with State law. Governmental Entity shall be responsible for the coordination between Offender work details and other workers in the workplace. Department shall be responsible for the custody of Offenders at all times, including security, meals, and medical care. Each party agrees to comply with applicable laws, rules, regulations and orders of federal, State and local governments in the performance of the Work.

5. Vehicles, Equipment and Supplies. Governmental Entity agrees to supply vehicles suitable for transporting Work Detail to and from the location or locations of the Work. The Correctional Officer shall be responsible for transporting the Work Detail to and from the location or locations of the Work in the vehicles provided by Governmental Entity. In performing such transportation services, Correctional Officer shall be acting as an agent for Governmental Entity. Government Entity is responsible for ensuring that each vehicle used for transporting Work Details is equipped with a mobile radio which complies with federal law, specifically Federal Communications Commission ("FCC") Order 04-292. The mobile radio equipment will be high power, with appropriate antennae for maximum output and range of coverage. On December 20, 2004, the Federal Communications Commission (FCC) issued Order No. 04-292, which requires all state and local law enforcement agencies using below 512 megahertz mobile radio equipment to begin using 12.5 kilohertz Narrowband Mobile Communications radios by January 1, 2013. Governmental Entity further agrees to obtain an appropriate automobile liability insurance policy which will provide insurance coverage for the correctional officer's use and operation of the vehicle discussed in this paragraph. Governmental Entity agrees to provide Department with appropriate proof of automobile liability insurance for said vehicle within thirty (30) days of the commencement of this Agreement. Governmental Entity shall also supply all necessary tools, equipment and supplies for the performance of the Work, including all safety gear and any necessary protective clothing. Small quantities of gasoline shall be dispensed, stored and carried only in containers approved for this purpose by the National Fire Protection Association. Governmental Entity agrees to assume full responsibility for the condition, maintenance, damage or loss of any tools, equipment or supplies provided hereunder.

6. Compensation. Governmental Entity agrees to pay Department the sum of Thirty Nine Thousand Five Hundred Dollars ($39,500.00) per year for the Term of this Agreement. Governmental Entity acknowledges that the foregoing sum is commensurate with labor supplied, salary, and benefits for Correctional Officer assigned to the Work Detail. This amount does not include overtime provided by Correctional Officer in performing the Work. Governmental Entity expressly agrees to pay Department for any overtime provided by Correctional Officer at an overtime rate of one and one half (1½) times Correctional Officer's hourly rate. Work Detail will be provided four (4) days per week for the Term of this Agreement, with the exception of state and federal holidays and up to fifteen (15) additional days due to annual leave, sick leave, mandatory training days for the correctional officer, periods of inclement weather, and facility emergencies, such as offender disturbances and medical quarantine (collectively "Off Days"). For each day in excess of the Off Days that the Work Detail is not provided

during the Term, compensation due to Department shall be reduced by One Hundred Eighty Nine Dollars and Ninety Cents ($189.90). Where possible, Department will give advance notice to Governmental Entity of Off Days and will provide Governmental Entity with an explanation of the reason for any Off Days on Department's monthly invoice, which invoice is due and payable Thirty (30) days from receipt by Governmental Entity. Any credits due Governmental Entity shall be noted by Department on this invoice. If the detail does not go out because the Governmental Entity is not able to provide transportation, or at the request of the Governmental Entity, the Governmental Entity is responsible for paying the full rate for that day. Detail will be provided for ten (10) hours per day, including time for transportation and supervision of Work Detail exiting and re-entering Facility.

7. Termination for Convenience. This Agreement may be terminated by either party upon seven (7) calendar days written notice. The seven (7) days will commence with the receipt of the notice by the non-canceling party.

8. Notices. Any notice under this Agreement shall be deemed duly given if delivered by hand (against receipt) or if sent by registered or certified mail -- return receipt requested, to a party hereto at the address set forth below or to such other address as the parties may designate by notice from time to time in accordance with this Agreement.

If to Governmental Entity:	Bulloch County P.O. Box 347 Statesboro, GA 30458
If to Department:	Jennifer Ammons General Counsel Georgia Department of Corrections State Office South, Gibson Hall, 3rd Floor P.O. Box 1529 Forsyth, GA 31029
With a copy to:	Emanuel Probation Detention Center Superintendent P.O. Box 1430 Twin City, GA 30471

9. Sole Benefit. Department and Governmental Entity enter into this Agreement for their sole benefit. Department and Governmental Entity do not intend to give any rights pursuant to this Agreement to any other parties that are not signatories to this Agreement. These other parties include, but are not limited to, any Offender(s) who participate in the work detail(s) outlined in this Agreement. Department and Governmental Entity do not intend for such Offender(s) or other parties that are not signatories to this Agreement to be third party beneficiaries to this agreement.

10. Amendment. The parties recognize and agree that it may be necessary or convenient for the parties to amend this Agreement so as to provide for the orderly implementation of all of the undertakings described herein, and the parties agree to cooperate fully in connection with such amendments if and as necessary. However, no change, modification or amendment to this Agreement shall be effective unless the same is reduced to writing and signed by the parties hereto.

11. Governing Law. This Agreement is executed in the State of Georgia, and all matters pertaining to the validity, construction, interpretation and effect of this Agreement shall be governed by the laws of the State of Georgia. Any lawsuit or other action brought against the Department and the State based upon or arising from the Contract shall be brought in the Superior Court of Fulton County Georgia.

12. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original but all of which shall constitute one agreement. No party shall be bound by this Agreement until all parties have executed it.

13. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties hereto and replaces, cancels and supersedes any prior agreements and understandings relating to the subject matter hereof; and all prior representations, agreements, understandings and undertakings between the parties hereto with respect to the subject matter hereof are merged herein.

IN WITNESS WHEREOF, the parties have caused the authorized representatives of each to execute this Agreement on the day and year first above written.

PURCHASING POLICIES

Amendment No.1 – 04.20.2010

Amendment No.2 – 10.16.2010

Amendment No. 3 – 12.15.2015

3.2 Sole Source Purchases

The County Manager is authorized to designate a sole source for any item or service under $10,000.00 in value, the purchase of which, due to special scientific, technological, or extraordinary specifications and circumstances, is available from only one vendor. Any such purchase shall be documented as to the reasons for the sole source and shall be maintained in the office of the purchasing division. Any proposed sole source purchase that is $10,000.00 or more in value must be approved by the Board of Commissioners. Any department wishing to make a sole source purchase must furnish the Purchasing Agent (who will then refer it to the County Manager) with a written request which fully explains why it is essential to do so. The County Manager shall make the decision or schedule it for action by the Board of Commissioners, depending on the estimated cost.

3.3 Emergency Purchases

The County Manager is authorized to waive any or all bidding requirements for the purchase of necessary goods or services whenever an emergency condition exists which presents a threat to the safety, health and welfare of the citizens of the County and whenever such requirements would cause undue delay in the delivery of essential services under such conditions. Any emergency purchases must be reported to the Board of Commissioners at the next regular meeting of the Board of Commissioners. Any department wishing to make an emergency purchase must furnish the Purchasing Agent (who will then refer it to the County Manager) with a written request which fully explains why it is essential to do so. In the absence of the County Manager, the approval of the Chairman of the Board of Commissioners or the County Manager's designee can be substituted.

3.4 Professional and Other Technical Services

Professional and other technical services may be required on a project basis, for specific activities or for certain durations of time. Procurement of these services shall be the primary responsibility of the using department with the assistance of the Purchasing Agent. A contract for professional services shall be awarded to the best-qualified proposal based on the evaluation of the proposals and negotiation of reasonable and fair compensation for services. Such professional service needs must be approved by the County Manager and shall be limited to a maximum duration of five (5) years without again requesting proposals for such general services from the professional community. The initial selection of such professional services shall be accomplished as outlined below. When using architectural or engineering professionals, Quality Based Selection method will be the preferred method unless waived by the County Manager. Fees for such services may be negotiated at the time of such designation or on a project/activities basis:

a) Professional services which have an estimated cost of $20,000.00 or more shall be purchased through request for proposals. When determined appropriate by the County Manager, solicitation may be made through formal advertising in the Statesboro Herald or regional newspapers or any other similar means to notify the relevant professional community.
b) Professional services which have an estimated cost of not less than $5,000.00 and not more than $19,999.99 may be purchased on the open market without regard for formal advertising. Upon the receipt of written proposals from at least three (3) qualified professionals of the service, the using department shall select and the Purchasing Agent shall recommend award of the contract.

INTERGOVERNMENTAL AGREEMENT
COUNTY CAPACITY

THIS AGREEMENT is entered into the 1st day of July, 2016, by and between the GEORGIA DEPARTMENT OF CORRECTIONS, an agency of the State of Georgia ("Department"), and BULLOCH COUNTY, a political subdivision of the State of Georgia ("County"), acting by and through its Board of County Commissioners, referred to individually as "Party" or together as "Parties."

WHEREAS, Department desires to contract with County for appropriate care and custody of certain offenders for which Department is responsible, ("State Offenders"); and

County desires to provide appropriate care and custody of State Offenders at a correctional institution operated by County ("Services").

NOW, THEREFORE, in consideration of these premises and the mutual promises and agreements hereinafter set forth, the parties hereby agree as follows:

1. Care and Custody. County agrees to provide complete care and custody of up to 160 State Offenders daily, for the Term of this Agreement and in accordance with all applicable state and federal laws, rules, and regulations. Without limiting the generality of the foregoing, County specifically agrees that no State Offender labor shall benefit private persons or corporations.

2. Recording Offender Movement in SCRIBE. County agrees to enter any and all movement of State Offenders transferred in and out of the County facility by recording the movement in Department's SCRIBE system on the same day the movement occurs. Movements that are not entered in SCRIBE on the day the movement occurs will not show as an adjustment and result in an inaccurate daily count. County is solely responsible for implementing procedures to ensure that SCRIBE entries are made accurately and in a timely manner. County is responsible for verifying the State Offender count and all movements in and out of the County facility in SCRIBE on a daily basis to ensure that the count is accurate. County understands that the count reflected in SCRIBE is the official count for purposes of calculating payment under this Agreement. Late documentation, lack of documentation, or inaccurate documentation may result in delayed payment or non-payment under this Agreement. County agrees to grant Department access to County's records, documentation procedure, and personnel for purposes of auditing SCRIBE entries and verifying State Offender count at any time upon Department's request.

3. Notification of Medical Treatment. County shall notify Department of any State Offender that the County transfers to a hospital for treatment that will require an overnight stay or for whom

treatment is likely to cost in excess of One Thousand Dollars ($1,000.00). Said notification shall be provided via telephone contact within Twenty-Four (24) hours of offender being admitted for treatment on an outpatient or inpatient basis. County shall notify Department pursuant to this paragraph by calling the Department's "On Call Utilization Management Nurse" at 404-863-3079 at any time of day or night.

4. Employee or Offender Misconduct. The County agrees that it will notify the Department within ten (10) business days after terminating an employee of the County CI for misconduct or of the resignation of any employee in connection with an allegation or investigation of misconduct. The County further agrees that it will notify the Department within ten (10) business days if it, one of its employees, or any other law enforcement officer secures a criminal warrant for the arrest or otherwise pursues the prosecution of an offender being housed at the County CI for criminal conduct allegedly committed at the County CI. County agrees that it will not hire any employee terminated by Department for misconduct or who resigns from Department in connection with an allegation or investigation of misconduct.

5. Compensation. Department agrees to pay County the sum of Twenty Dollars ($20.00) per State Offender per day for the duration of this Agreement. County agrees to invoice Department monthly, in compliance with all billing procedures established by Department. Department shall endeavor to pay County for Services within Forty-Five (45) days of invoice receipt in approved form. County acknowledges and agrees that the Commissioner of Corrections shall have sole authority with respect to the transfer of State Offenders to and from the County correctional institution and Department shall not incur charges for State Offenders not under the care and custody of County. A State Offender is not under the care and custody of County when a State Offender is not housed at the County facility including when a State Offender is out to court or sent to a Department facility for medical or mental health evaluation.

6. Term of Agreement. The term of this Agreement shall be from July 1, 2016 until 11:59 p.m. on June 30, 2017 (the "Term"). The Parties may, by mutual agreement in writing, extend the Term for additional time periods.

7. Termination. Department may at any time and for any reason terminate this Agreement by providing written notice in advance of such termination to County. In the event of termination under this paragraph, Department shall pay County for Services performed prior to the effective date of termination; provided, however, that payments otherwise due County may be applied by Department against amounts due or claimed to be due to Department. In the event that County fails to comply with the provisions of this Agreement, Department may terminate this Agreement for cause and without notice. If termination is for cause, payments may be withheld by Department on account of the Services being deemed deficient and not remedied by County prior to the effective date of termination. County shall be liable to Department for any additional cost incurred by

Department as a result of deficiencies in the Services to be provided hereunder.

8. Prison Rape Elimination Act. County agrees that it will adopt and comply with 28 C.F.R. 115, entitled the Prison Rape Elimination Act ("PREA"). As required in 28 C.F.R. 155.12, County further agrees to cooperate with Department in any audit, inspection, or investigation by Department or other entity relating to County's compliance with PREA. Department shall monitor the County's compliance with PREA, and shall have the right to inspect any documents or records relating to such audit, inspection or investigation and County will provide such documents or records at Department's request. County acknowledges that failure to comply with PREA is a material breach of this Agreement and is cause for termination of this Agreement.

9. Notices. Any notice under this Agreement, other than those referenced in Paragraph 3, "Notification of Medical Treatment," shall be deemed duly given if delivered by hand (against receipt) or if sent by registered or certified mail, return receipt requested, to a Party hereto at the address set forth below or to such other address as the Parties may designate by notice from time to time in accordance with this Agreement.

If to the County:	Bulloch County Board of Commissioners Manager, Thomas Couch P.O. Box 347 Statesboro, GA 30459
With a copy to:	Bulloch County Prison Warden, Chris Hill 17301 US Hwy 301 North Statesboro, GA 30458
If to the Department:	Jennifer Ammons General Counsel Georgia Department of Corrections State Office South, Gibson Hall, 3rd Floor P.O. Box 1529 Forsyth, Georgia 31029
With a copy to:	Steve Upton Facilities Director Georgia Department of Corrections State Office South, Gibson Hall, 1st Floor P.O. Box 1529 Forsyth, Georgia 31029

10. Reimbursement of Medical Costs.

a. Department agrees to reimburse County for certain costs of medical services required for emergency medical conditions posing an immediate threat to life or limb if a State Offender cannot be placed in a state institution for the receipt of this care, (hereafter "Emergency Medical Services"), provided, however, that Department's obligation arises only when the cost per State Offender per incident exceeds One Thousand Dollars ($1,000.00), and Department shall only be liable for the amount in excess of One Thousand Dollars ($1,000.00), subject to the limitations of this paragraph and other applicable laws and regulations.

b. County agrees to invoice Department monthly for the actual cost of Emergency Medical Services paid by County. If there existed any rate agreement between County and the hospital or hospital authority at the time Emergency Medical Services were rendered, the invoice must reflect such rate. All invoices from County must include an invoice or receipt from the hospital that clearly shows the actual cost of Emergency Medical Services paid by County.

c. Department is not liable to County for any late fees or charges imposed by the hospital or hospital authority (collectively, "Late Fees") for late or nonpayment by the County. County agrees to exclude Late Fees from its invoices to Department.

d. If Department reasonably determines that there is a difference between the actual cost incurred by County and the invoice sent to Department, Department may assess an administrative fee of one-half (1/2) of the difference to cover the administrative costs incurred by the Department. Department shall send County written notice of any administrative fees, and County shall have Thirty (30) days to make payment or to dispute the fee in writing. If County does not make payment of undisputed administrative fees by the due date, Department is entitled to a setoff of the same amount against future payments owing to County.

e. Pursuant to O.C.G.A. § 42-5-2(c), Department shall reimburse County no more than the applicable Georgia Medicaid Rate for Emergency Medical Services provided to a State Offender by a hospital authority or hospital. Department shall not be liable to County for any amount paid by County to a hospital or hospital authority over the Medicaid Rate for emergency services provided to a State Offender.

11. Entire Agreement. This Agreement constitutes the entire agreement and understanding between the parties hereto and replaces, cancels and supersedes any prior agreements and

understandings relating to the subject matter hereof, and all prior representations, agreements, understandings and undertakings between the parties hereto with respect to the subject matter hereof are merged herein.

12. Sole Benefit. Department and County enter into this Agreement for their sole benefit. Department and County do not intend to give any rights pursuant to this Agreement to any other parties.

13. Choice of Law and Venue. The Contract shall be governed in all respects by the laws of the State of Georgia. Any lawsuit or other action brought against the Department and the State based upon or arising from this Agreement shall be brought in the Superior Court of Fulton County Georgia.

14. Amendment. The Parties recognize and agree that it may be necessary or convenient for the Parties to amend this Agreement and the Parties agree to cooperate fully in connection with such amendments if and as necessary. However, no change, modification or amendment to this Agreement shall be effective unless the same is reduced to writing and signed by the Parties.

15. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be an original but all of which shall constitute one agreement. No Party shall be bound by this Agreement until all Parties have executed it.

IN WITNESS WHEREOF, the parties have caused the authorized representatives of each to execute this Agreement on the day and year first above written.

DEPARTMENT MAKING REQUEST (Box 1)	MEETING DATE June 7, 2016		
Public Safety/Transportation/Engineering	RESOLUTION ATTACHED? (Box 3)	YES	
		NO	x

REQUESTED MOTION OR ITEM TITLE (Box 4)

Discussion and or action on making the intersection of Brooklet Denmark/Brannen Pond/Rushing roads a 4 way stop, and changing speed limit from 55 to 45 on Brannen Pond and Rushing Road. Basically making it 45 from highway 80 to highway 80 end to end. Any zone marked at lower than 45 would remain as is. Also make speed limit 45 from Emit Church Road to city limits of Brooklet on Brooklet Denmark Road. School zone at SEB remains 35.

SUMMARY/BACKGROUND ATTACH DETAILED SUMMARY, IF NEEDED (Box 5)

This intersection has seen numerous accidents in recent years due to increase in residents moving to the area and school traffic, and meets all warrants for making it a 4 way stop.
