

Aquatics Maintenance Supervisor (1563)

FLSA Status: Exempt

Pay Grade: 18

Safety-Sensitive: No

Purpose

The purpose of this classification is to ensure the quality and timely repair and maintenance of equipment and structures associated with the Splash in the Boro Waterpark as well as the supervision of maintenance staff. Primary duties include repair and maintenance of the mechanical and electrical equipment in order to ensure the general safety of the water quality, surfaces and equipment used by guests.

Primary Responsibility

Provides excellent service, pursues continuous improvement and exceeds expectations.

Typical Duties

Supervises regular and temporary staff: plans, coordinates, assigns and reviews work of individuals and the team; evaluates training needs and provides instruction; schedules staff vacations and approves sick leave; recommends discipline, disciplinary actions, discharge and salary increases; prepares timesheets; interviews candidates; conducts employee performance evaluations; and establishes and promotes employee morale.

Maintains proper water chemistry according to Bulloch County Board of Health guidelines: tests, analyzes and adds chemicals to make any necessary adjustments; calibrates chemical controllers; backwashes water filtration system; and regulates flow rates.

Ensures public and park safety: performs daily safety checks of all equipment and pool surfaces; removes broken items and equipment; repairs items if possible; orders new items as needed; verifies that all water slides and attractions adhere to the state standards and regulations for amusement parks and carnivals.

Oversees park functionality and appearance: takes care of all trash collection in the park; pressure washes any stains/spills; communicates with concessions about any maintenance issues needing attention; and communicates landscaping needs and other services needed to landscaping department or other contractors.

Manages all project planning in the park related to painting, cleaning and repair.

Performs other related duties as required.

Minimum Qualifications

Associate degree in a related field required; supplemented by three years of experience in aquatics facility maintenance, or a related field; or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job.

Specific License or Certification Required: Must possess and maintain a valid Georgia driver's license. Must possess and maintain the following certifications: Certified Pool Operator and Aquatics Facility Operator.

Performance Aptitudes

Data Utilization: Requires the ability to evaluate, audit, deduce, and/or assess data using established criteria. Includes exercising discretion in determining actual or probable consequences and in referencing such evaluation to identify and select alternatives.

Human Interaction: Requires the ability to act as a first-line supervisor, including instructing, assigning and reviewing work, maintaining standards, coordinating activities, and evaluating employee job performance.

Equipment, Machinery, Tools, and Materials Utilization: Requires the ability to operate, maneuver and/or control the actions of equipment, machinery, tools, and/or materials used in performing essential functions.

Verbal Aptitude: Requires the ability to utilize a wide variety of reference, descriptive, and/or advisory data and information.

Mathematical Aptitude: Requires the ability to perform addition, subtraction, multiplication, and division; the ability to calculate decimals and percentages; the ability to utilize principles of fractions; and the ability to interpret graphs.

Functional Reasoning: Requires the ability to apply principles of influence systems, such as motivation, incentive, and leadership, and to exercise independent judgment to apply facts and principles for developing approaches and techniques to resolve problems.

Situational Reasoning: Requires the ability to exercise judgment, decisiveness and creativity in situations involving the evaluation of information against sensory, judgmental, or subjective criteria, as opposed to that which is clearly measurable or verifiable.

ADA Compliance

In compliance with the Americans with Disabilities Act (ADA), the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer.

Physical Ability: Tasks require the ability to exert very moderate physical effort in light work, typically involving some combination of stooping, kneeling, crouching and crawling, and which may involve some lifting, carrying, pushing and/or pulling of objects and materials of moderate weight (12-20 pounds).

Sensory Requirements: Some tasks require the ability to perceive and discriminate colors or shades of colors, sounds, odor, depth, and visual cues or signals. Some tasks require the ability to communicate orally.

Environmental Factors: Performance of essential functions may require exposure to adverse environmental conditions, such as odors, wetness, humidity, rain, temperature and noise extremes, hazardous materials, confined spaces, machinery, vibrations, electric currents, toxic agents, water hazards, or rude/irate individuals.

DISCLAIMER: This job description is not an employment agreement or contract. Management has the exclusive right to make changes at any time without notice.
