

Aquatics Maintenance Technician (2275)

FLSA Status: Non-Exempt

Pay Grade: 15

Safety-Sensitive: No

Purpose

The purpose of this classification is to repair and maintain mechanical and electrical equipment at Splash in the Boro, in order to ensure the general safety of the water quality, surfaces and equipment used by guests.

Primary Responsibility

Provides excellent service, pursues continuous improvement, and exceeds expectations.

Typical Duties

Leads and coordinates work activities of part-time staff: confers with supervisor to obtain direction regarding work assignments and priorities; organizes tasks in order to complete assigned work; monitors status of work in progress and inspects completed work; confers with co-workers, assists with complex/problem situations, and provides technical expertise; assists with training and instructing co-workers; and assists with supervision of co-workers by reporting employee problems and providing input on disciplinary action and employee performance evaluations.

Performs maintenance and repair activities: makes repairs or adjustments where needed; conducts general maintenance functions; paints, cleans and repairs as directed.

Maintains proper water chemistry according to Bulloch County Board of Health guidelines: tests, analyzes and adds chemicals to make any necessary adjustments; calibrates chemical controllers; backwashes water filtration system; and regulates flow rates.

Ensures public and park safety: performs daily safety checks of all equipment and pool surfaces; removes broken items and equipment; repairs items if possible; coordinates with supervisor to order new items as needed; verifies that all water slides and attractions adhere to the state standards and regulations for amusement parks and carnivals.

Assists supervisor with oversight of overall park functionality and appearance: collects trash in the park; pressure washes stains/spills; reports unusual or hazardous conditions to supervisor.

Performs other related duties as required.

Minimum Qualifications

High school diploma or GED required, with some vocational or technical training in facilities maintenance or a related field; supplemented by three years of experience in aquatics or facilities maintenance; or any equivalent combination of education, training, and experience which provides the requisite knowledge, skills, and abilities for this job.

Specific License or Certification Required: Must possess and maintain a valid Georgia driver's license. Must possess and maintain the following certifications: Certified Pool Operator and Aquatics Facility Operator.

Performance Aptitudes

Data Utilization: Requires the ability to review, classify, categorize, prioritize, and/or analyze data. Includes exercising discretion in determining data classification, and in referencing such analysis to established standards for the purpose of recognizing actual or probable interactive effects and relationships.

Human Interaction: Requires the ability to work with and apply principles of persuasion and/or influence over others to coordinate programs or activities of a project, and resolve typical problems associated with the responsibilities of the job.

Equipment, Machinery, Tools, and Materials Utilization: Requires the ability to operate, maneuver and/or control the actions of equipment, machinery, tools, and/or materials used in performing essential functions.

Verbal Aptitude: Requires the ability to utilize a wide variety of reference, descriptive, and/or advisory data and information.

Mathematical Aptitude: Requires the ability to perform addition, subtraction, multiplication, and division; the ability to calculate decimals and percentages; the ability to utilize principles of fractions; and the ability to interpret graphs.

Functional Reasoning: Requires the ability to apply principles of influence systems, such as motivation, incentive, and leadership, and to exercise independent judgment to apply facts and principles for developing approaches and techniques to resolve problems.

Situational Reasoning: Requires the ability to exercise judgment, decisiveness and creativity in situations involving the evaluation of information against sensory, judgmental, or subjective criteria, as opposed to that which is clearly measurable or verifiable.

ADA Compliance

In compliance with the Americans with Disabilities Act (ADA), the County will provide reasonable accommodations to qualified individuals with disabilities and encourages both prospective and current employees to discuss potential accommodations with the employer.

Physical Ability: Tasks require the ability to exert very moderate physical effort in light work, typically involving some combination of stooping, kneeling, crouching and crawling, and which may involve some lifting, carrying, pushing and/or pulling of objects and materials of moderate weight (12-20 pounds).

Sensory Requirements: Some tasks require the ability to perceive and discriminate colors or shades of colors, sounds, odor, depth, and visual cues or signals. Some tasks require the ability to communicate orally.

Environmental Factors: Performance of essential functions may require exposure to adverse environmental conditions, such as odors, wetness, humidity, rain, temperature and noise extremes, hazardous materials, confined spaces, machinery, vibrations, electric currents, toxic agents, water hazards, or rude/irate individuals.
