

BRYAN-BULLOCH GROUNDWATER SUSTAINABILITY PROGRAM
PUBLIC MEETING NOTICE

The Bryan County- Bulloch County Groundwater Sustainability Program will hold an Advisory Committee meeting on **Monday April 14th, 2025, from 3:30PM until 4:30PM.** Immediately following the committee meeting, program staff will hold a public information workshop from **5:00PM until 7:00PM.** The meetings will be held at the Bryan County Board of Education located at **8810 US Hwy. 280, Black Creek, GA 31308.** The purpose of the workshop is to inform residents of the Bryan-Bulloch Groundwater Sustainability Program and progress-to-date on action items contained in the sustainability plan. Topics of the workshop will also include water well registration, and the claims process for impacted wells. For more information, please visit bryanbullochgsp.org.

Persons with special needs related to disability access or foreign language shall contact the Bulloch County Board of Commissioners Clerk of the Board at (912) 764-6245 prior to the meeting for necessary accommodations.
